

Our Wedding Menus are designed to offer locally sourced ingredients from our trusted Sussex Food suppliers.

Please find below a selection of our seasonal menus for your wedding day.

These are a guide line of what we can offer you for your big day.

If you are looking for a totally bespoke menu, we are more than happy to arrange a consultation where you can bring your own ideas with you and discuss in more detail your wedding day catering; together with our experienced chefs we can create a totally unique dining experience.

We encourage lots of different styles of eating on your wedding day from restaurant standard plated meals, to a more informal style of family service brought to you and your guests.
