

Handmade on our Farm in Brighton, and the only one in the UK - we are very proud of our Pizza Oven creation. Hidden in a trailer usually used to transport livestock, with multicoloured LED lighting, wall mounted dough hooks and tubs and a wooden topped service board, the inside of the trailer looks as good as the outside! As our Circa family lives on the farm, we believe it's really important to source our ingredients locally too. Our meat, fish and veggies are all produced in Sussex by our friends at Beal's Farm. Vegan Bases, Gluten Free Bases and Vegan Cheese are available upon request.

Either choose Three Pizzas from our Circa Chef favourites below
OR

Design your own Pizzas! Start with our wood fired base and of course lashings of mozzarella, choose one pizza each and one veggie pizza for extra measure, served to your guests on the night as The Bride's Pizza & The Groom's Pizza (and of course a veggie option) from our Chalkboard Menu - who will win most popular Pizza?
