All orders placed after 10am will be shipped the following day - if you order on Thursday your order will be processed the following Monday for delivery that week. Please let us know if you have a specific delivery day in mind in advance so we can deliver to you in time for that special occasion and if you are local to Brighton, we may be able to deliver to you in person over the weekend.

COVID restrictions have led to some delays with our courier company - please bear with and we'll get your order mixed, packaged and delivered as quickly as we can so you can enjoy!

All nationwide orders up to 36 bottles are priced at a flat delivery charge of £5.

Bespoke and larger orders will need to be calculated depending on requirements - but we will let you know before processing your order and shipping. Happy Drinking!
